

MAKING MEAT SAFE

You can help urge the government to strengthen the firewall against mad cow disease by sending this coupon or a letter or e-mail in your own words.

To: USDA Secretary Ann M. Veneman
U.S. Department of Agriculture, Suite 200A
14th St. & Independence Ave., S.W.
Washington, D.C. 20250
e-mail: ann.veneman@usda.gov
Fax: (202) 720-2166

From: _____

As a member of the Center for Science in the Public Interest, I urge you to help protect the public from mad cow disease by requiring companies to remove the neck bones and spinal *columns* (including the spinal cords) from cattle carcasses before processing them through mechanically separated meat (MSM) or advanced meat recovery (AMR) systems.
