SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release ("Agreement") settles certain disputes and releases certain claims by and between Dr Pepper Snapple Group, Inc. ("DPSG") and Dr Pepper/Seven Up, Inc. ("DPSU"), on the one hand, and David Green ("Green") (collectively, the "Parties"). The Effective Date of this Agreement is July 15, 2013.

RECITALS

A. On November 8, 2012, Green filed a putative class action complaint against DPSG in the United States District Court for the Central District of California, Case No. CV12-09567, seeking certification of a national class of consumers based on causes of action pursuant to California statutory and common law relating to the labeling, packaging, marketing, advertising and ingredients of Cherry 7UP Antioxidant, Mixed Berry 7UP Antioxidant and Pomegranate 7UP Antioxidant soda products attached as Exhibit A (in various packaging forms) (the "Products") (the "Complaint"). On February 11, 2013, Green filed an Amended Complaint that added DPSU as a party defendant and restated the putative class action allegations and request for a national class of consumers based on causes of action pursuant to California statutory and common law.

B. The Parties have agreed to a settlement of any and all claims asserted against DPSG or DPSU in the Complaint, as well as any other claims pursuant to state or federal law, including but not limited to claims for unfair competition and false advertising, relating in any way to any of the Products, on the terms below.

C. The Parties hereby memorialize the terms of the settlement, including the agreement by Green to settle and release fully and forever the claims, obligations, conflicts, causes of action, claims for attorneys’ fees and costs, and disagreements between him and DPSG or DPSU that relate to the Products, and his attorneys’ agreement to settle and release fully and forever any claim they have, had in the past, or may have in the future with respect to attorneys’ fees and costs associated with any claims brought in the Complaint.

D. DPSG and DPSU dispute and deny each and every claim made against them in the Complaint, and this Agreement does not constitute an admission of any allegation, or of any fault or liability whatsoever by any Party.

E. Each Party acknowledges and warrants that he or it has investigated the facts surrounding the subject matter of this Agreement and the disputes between the Parties, and that he or it is not relying upon any representations by another Party, including the attorney or agent of another Party, except as expressly stated in this Agreement.
