\* Estimated obese population totals calculated from 2007 U.S. Census Annual State Population table (<http://www.census.gov/popest/states/NST-ann-est.html>) and 2007 Centers for Disease Control and Prevention (CDC) Behavioral Risk Factor Surveillance System (BRFSS) obesity percentages by state (<http://apps.nccd.cdc.gov/brfss/list.asp?cat=OB&yr=2007&qkey=4409&state=All>).

† Ranking from 2007 CDC BRFSS obesity percentages by state (<http://apps.nccd.cdc.gov/brfss/list.asp?cat=OB&yr=2007&qkey=4409&state=All>). 1 indicates highest percentage obese; 51 indicates lowest percentage obese. Excludes Puerto Rico, Virgin Islands, and Guam.
